

## YOU'RE INVITED TO BE A PART OF OUR FAMILY

The sport of all star cheerleading requires a commitment from both parent and athlete. All families that seek participation in the GymTyme Illinois all star program should understand that athletes are evaluated for the program, *not a specific team*. GTIL places athletes on the team(s) wherein the athlete's abilities will best benefit the team and program as a whole.

Each athlete at GymTyme Illinois is entitled to the full support and encouragement from the entire GTIL family at large. We expect our members to represent the gym with class, good sportsmanship and responsibility. Any athlete or parent that does not abide by gym rules and regulations, is consistently negative, or acts in a manner that jeopardizes the name and/or reputation of the GymTyme brand, will be subject to disciplinary action as determined by management, and may include program dismissal without refund.

Our success through the years is due, in large part, to an unwavering dedication by everyone involved. In return, GymTyme Illinois is committed to providing:

- a safe and positive training environment for our athletes and coaches
- a family-friendly atmosphere for all who visit our facility
- accurate and timely communications from management
- fair business practices with regard to delivering full program value

## ELITE TEAM PLACEMENT

### EVALUATING SKILLS FOR A SUCCESSFUL SEASON – ELITE TEAMS

**We want every athlete to have the opportunity to showcase their strength, confidence and technique for team placement. That's why we evaluate elite team athletes for a full 8 hours before forming teams.** We understand that nerves and adrenaline can impact the way an athlete performs. It is our goal to create a stress-free and injury-free evaluation process so that all athletes can show us their very best. "Elite Evaluation Groups" allow our staff to spend ample time with your child prior to team formation which ensures level appropriate placement that translates to a successful season for all. We take pride in knowing that since adopting this evaluation process in June of 2020, every athlete has maintained her/his roster status from the beginning to the end of their season.

#### **ELITE EVALUATION GROUPS** **MAY 16 - 26**

Evaluation groups provide the safest and most accurate way for our staff to assess athlete abilities. We firmly believe it is less stressful on athletes when they are allowed more time to show their skills. [Athletes seeking placement on a full-season, full-travel elite team MUST be enrolled in a group.](#)

- Online registration begins May 1.
- Initial registration is by level and age (for example Level 4 — ages 12-18). Once registrations are complete, we will then assign athletes an evaluation schedule and notify you via email on May 13 (please give us until the end of the day).
- Evaluation groups meet for two 2-hour sessions each week similar to our practice times (for example Tues/Thur 5:30-7:30 pm) for a total of four sessions or 8 hours of evaluation time. This may not be your final practice time once placed on a team.
- Returning GT athletes will be assigned according to last season's team level.
- New athletes should self-assign their training level based on their team placement last season.
- Coaches will closely evaluate athletes during Week One and may reassign athletes for Week Two.
- Evaluations will focus on technique-driven warmup drills, jumps, tumbling and stunting.

#### **TEAM PLACEMENT — MAY 27**

- Athlete placement will be based on the strength and technique of skills at the time of team formation.
- The majority of athletes will be placed according to their group level. Exceptions may be made when placing crossovers, athletes with unique skill sets, or athletes who have aged out of a division.
- Team placement is never final. Athletes who regress or advance skill performance may be moved to another team at any time during the season.
- Athletes who wish to have their placement reevaluated may contact the director and an individual skills assessment will take place. A \$50 reevaluation fee will be due.
- Athletes that have not attended a training group may request an individual evaluation (\$50 fee). however placement is not guaranteed. Training group tuition will still be due.
- Once rosters are finalized, practice time will be used to work on elements of the routine and nurture team development. There will be minimal time within team practice to advance tumbling skills.
- Team tumbling will focus on technique and team synchronization. Some skill advancement does occur, however athletes are encouraged (but are not required) to supplement their training with additional classes or private lessons.

## FULL-SEASON ELITE TEAMS

### PROGRAM FEATURES

**GymTyme Illinois offers athletes of all ages and abilities the opportunity to grow and develop under the supervision of professionally trained coaches.** We provide a safe and positive training environment celebrating your child’s success at every stage of training. In addition to achieving the skill and confidence to perform at the highest level of competition, athletes will build strength of character through valuable lessons in self-discipline, resiliency, teamwork and commitment.

Teams compete in specific divisions according to age and skill. Our elite program travels to national events throughout the U.S. We begin training in late May to early June in preparation for the competitive season which typically runs November through March. Elite teams will compete for “post-season” bids to compete at our industry’s most prestigious invite-only events that take place in late April and early May. Post season events are not elective.

*The following is a general overview of our elite program<sup>1</sup>:*

DIVISION	LEVELS	BIRTH YEAR	WEEKLY PRACTICES HOURS <sup>1</sup>	WEEKLY TEAM TUMBLE	EVENTS PER SEASON	TRAVEL EVENTS	OPEN GYM <sup>2</sup>	POST SEASON (APRIL-MAY) EVENTS

Open	4 - 7	2008 - earlier						Worlds – Orlando

- **We may elect to form teams in an IASF (international) division if we believe a team will be more competitive. There would be no difference in programming.**
- **Teams may attend an alternate post-season event (US Finals, Summit-Chicago) if the desired bid is not earned.**

<sup>1</sup> Table provided is the standard program model. We will attempt to deliver all practice hours promised. Teams may meet for virtual training or on additional days in the event of an unexpected closure. We may also modify the number and/or location of competitive opportunities based on team readiness.

<sup>2</sup> We typically offer four open gym hours per week.

## TEAM FORMATION

### SOME ADDITIONAL DETAILS

GymTyme Illinois does not promise that specific teams will be developed. We start with a clean slate each season. Teams are developed based on the total talent pool that is present during the evaluation period. From beginner to the most experienced athlete, we consider the skills of each child that comes to us for placement and design teams so that everyone has the opportunity to participate and succeed.

#### When placing athletes, we consider:

- Tumbling that can be performed with “no drivers lost” ... near perfect execution
- Stunting ability
- Jump execution
- Dance/performance ability
- Leadership abilities, positive character traits, attendance/commitment level

#### Some placement scenarios:

- An athlete is well-rounded and makes the level where they have every tumbling skill. S/he brings strength in all the areas listed above.
- An athlete is missing a tumbling skill or two, but brings value to their assigned team in all other categories listed above.
- An athlete is placed below their mastered tumbling level. S/he’s got the tumbling down, but still has improvements to be made in some or all of the other skill categories.
- An athlete has little to no tumbling for the level they make, but is a standout athlete in one or more of the other skill categories. These skills will make a notable contribution to the team’s score sheet.

#### Crossover policies:

- Athletes are first and foremost a rostered member of their primary team.
- Athletes must attend all practices of both their primary and secondary team.
- Crossovers do not pay additional tuition, but are responsible for the competition/apparel fees for each team.
- Level and division restrictions may apply.
- Crossover accounts must maintain good standing

#### Flyers:

- All team flyers are required to take a stretch class each week at a discounted rate.

Please remember that we consider each athlete’s strengths (and weaknesses) when forming teams each season. Our coaches are expert at grouping athlete talent and setting your child up for a successful season. We ask that you trust in our ability to place everyone on a GreaT team.

### SKILLS CAMPS & CHOREOGRAPHY

Athletes are entitled to various specialty camps for routine choreography and building skills (stunts, baskets, pyramid). These camps may or may not coincide with your regular team practices and may occur in the morning or afternoon (summer and weekends only). Please see our important dates on page 8.

## PREP/NOVICE LIMITED TRAVEL

### 2022-23 COMPETITIVE SEASON

The **TINY NOVICE** program is designed to introduce smaller athletes to big sport of All Star cheer. The only prerequisites are the ability to listen, a willingness to work hard, and a desire to have fun. Athletes will learn the fundamentals of performance cheerleading and showcase their routine at competition for judges feedback. Novice teams are not ranked against one another.

The **PREP** program is designed for athletes who have some knowledge of cheer or general athletic abilities. Prep teams are the perfect “bridge” program for families that are new to the sport or are not yet ready to commit to the travel and expense of an Elite team. While Prep athletes practice and compete fewer days, they still benefit from the same certified coaching and skills training as our full season Elite program. Athletes can return to the program each season or they may use the experience to transition to our Elite program.

## ATTENDANCE POLICY

COMMITMENT = SUCCESS

Attendance is crucial to the success of the team. We are providing our general policy BEFORE you make a commitment to join the all star program at GymTyme.

A parent meeting will be called if an athlete accrues 10 absences (combined excused and unexcused absences). Habitual absences may result in modification of athlete role/responsibilities on her/his team, designation as an alternate for a probationary period, or removal from the team roster and drop fee charged.

### Excused Absences

- Graded school event
- Contagious illness or injury with doctors note (athletes who are “not feeling well” or have minor injuries are still expected to attend and activity will be limited)
- Death of a family member (sibling, parent, grandparent, aunt, uncle, cousin)

### Unexcused Absences

- Non-contagious illness, non-graded school events, too much homework, too tired, birthdays or family gatherings, couldn't get a ride, participation in other sports, withholding practice as a form of parental discipline. College visits and college testing (ACT/SAT) are also considered unexcused. Please schedule these events on days when your athlete does not practice/compete.

**All missed practices must be documented in writing.** DO NOT report absences on social media, via team apps, or by text or the absence will be considered unexcused. Failure to notify the gym via the official attendance email is considered an unexcused no call/no show and is subject to disciplinary action.

### Summer Attendance (May 31 — Sept 11)

Four (4) vacation absences are allowed. All choreography and camp dates must be attended.

### In-Season (Fall/Winter) Attendance (Sept 12 — March 23)

Three (3) unexcused absences allowed, however any unexcused absences may affect routine spots.

### Mandatory Competition Practices

There are no unexcused absences allowed 14 days before an event. No absences (excused or unexcused) allowed 7 days before an event which includes any extra practices that are scheduled. Failure to follow this policy will result in one of the following:

- ineligibility to compete (without refund)
- allowed to compete, but removal from all group sections of the routine such as stunts (only considered if the absence follows the guidelines for excused absences and does not negatively impact the team)

### Worlds / Summit Post-Season Attendance (March 26 — end of season)

Only excused absences with proper documentation are permitted beginning March 26. ***Elite teams do not take practice off for spring break.*** No absences allowed 14 days before the event (exception, crossovers competing at both Worlds and Summit).
